

7th International Conference on Materials Science and Technology

June 7 – 8, 2012 (New Dates)
Bangkok, Thailand
www.mtec.or.th/MSAT-7
Swissotel Le Concorde, Bangkok, THAILAND

Organized by

National Metal and Materials Technology Center
National Science and Technology Development Agency
Ministry of Science and Technology

Introduction

MSAT is a biennial event recognized as one of the major series of conference in materials science, technology & engineering. The aim of the conferences is to serve as a forum for participants from academia, government agencies and industry to report on research and development results, to interact, and to identify opportunities for cooperation in the fields of materials science, technology & engineering.

Call for Papers

Participants interested in presenting a contribution in one of the mentioned areas are kindly asked to submit an abstract of up to 500 words in 1 page A4 by **February 17, 2012 (updated)**. Notification of acceptance will be announced by **March 31, 2012**.

Scope

The scope of the conference covers all topics relevant to materials science, technology & engineering. The topics addressed by the conference include, but are not limited to:

- Advanced Ceramic Materials
- Biomedical Materials and Devices
- Materials for Energy and Environment
- Metals, Alloys and Compounds
- Polymer-based Materials
- Simulation, Design and Manufacturing

Conference Language

The language of the conference is English and all presentations will be made in English.

Conference Format

Plenary, keynote & invited lectures, general and special symposia are planned which will provide participants with the opportunity to discuss and explore advancements in materials science, technology and engineering.

Registration Fee (All prices are in USD)

Category	Before April 30, 2012	After April 30, 2012
Regular	200	250
Full Time Students	100	150

Remarks

- All fees are in USD inclusive of 7% VAT
- Registration fee includes access to all scientific sessions, exhibitions, conference materials, lunches and refreshment.
- Photocopy of student card must be sent with registration form, or fax to Secretariat after completing on-line registration.
- National Metal and Materials Technology Center (MTEC) is a government organization with permission to exempt from 3% withholding tax.

Conference Secretariat:
