Keywords: Provide a maximum of four keywords. Each keyword should be accompanied by the capital letter denoting the category from which the keyword has been selected.

The abstract should be written using 12 point Times New Roman font and summarize the technical content of the oral or poster presentation. The page margins should be 3 cm for a standard A4 page (21 x 29.7 cm). As shown in the author list, use superscript alphabets to indicate author affiliation and use asterisk to indicate the name of the presenting author, and list his/her e-mail address at the bottom of the author listing. The title and author list should be center-justified, while the body of the abstract should be justified on both sides. Author names should be written in 12-point Bold Times New Roman font while the affiliations should be written in the same font-size but italic. The abstracts are limited to 500 words. Please note that the technical program committee will be judging abstracts by technical content for acceptance and categorization as oral or poster presentation.
