The National Council for Peace and Order (NCPO) announced the lifting of nighttime curfew in all over the country with effective as of 13 June 2014.

We would like to inform that Thailand remains a welcoming MICE destination and that it's business as usual throughout the country. All airports throughout Thailand, including at key international gateways – Bangkok (Suvarnabhumi and Don Mueang), Phuket, Ko Samui, Hat Yai and Chiang Mai – as well as other modes of transport (road, rail and waterway) are operating as per normal. Airlines also continue to operate incoming and outgoing flights as per normal
