

Curriculum Vitae – John Wang

Professor John Wang
Head of Department
Department of Materials Science and Engineering
National University of Singapore

John Wang is Professor and Head of Department of Materials Science and Engineering, and Senior Faculty Member, NUS Graduate School for Integrative Sciences & Engineering (NGS), National University of Singapore. He has more than 30 years of experience in teaching and research of functional materials and materials chemistry. His current research focuses include: functional materials and devices, ferroelectric, piezoelectric and multiferroic thin films and devices, biomaterials and nanohybrids for bioimaging and healthcare, and nanostructured materials for sustainable energy.

Professor John Wang has published >350 papers in prestigious, top international refereed journals. He has been invited, on a regular basis, to give keynote/invited lectures at major international conferences/symposia/workshops.

Professor John Wang has supervised 50 postgraduate students and more than 30 postdoctoral/research fellows.
