

## CV of Dr.Krisda Suchiva

### Education

B.Sc (Chemistry) University of Liverpool, UK

Ph.D (Polymer Science) University of Bradford, UK

### Present position

Head of Rubber Technology Research Centre

Faculty of Science, Mahidol University

Thailand

### Work experience

- 1979-1983      Lecturer, Department of Chemistry  
Faculty of Science ,Mahidol University
- 1983-2011      Assistant Professor,Department of Chemistry  
Faculty of Science ,Mahidol University
- 1984-1992      Director, Polymer Research and Development Programme  
Institute of Science and Technology for Development,  
Mahidol University
- 1990-1996      Director, Graduate School of Study in Polymer Science  
and Technology, Mahidol University
- 1992-2015      Deputy Director  
National Metal and Materials Technology Centre,  
National Science and Technology Development Agency
- 2014-present      Head, Rubber Technology Research Centre,  
Faculty of Science, Mahidol University

### Professional Affiliation

1. Science Society of Thailand
2. Polymer Processing Society
3. Polymer Society of Thailand

### Research Interests

1. Structures and Properties of Rubbers
2. Rubber Surfaces and Interfaces
3. Modifications of Natural Rubber
4. Green Production Technology of Natural Rubber

### Achievements

1. 30 years experience in natural rubber research resulting in 30 publications and 4 patents
2. Establish Graduate School in Polymer Science and Technology at Mahidol University
3. Establish Rubber Technology Research Centre at Mahidol University
4. National research award for green technology for recovering of natural rubber waste in concentrated latex production industry
5. Outstanding research award for energy-saving solid tyres, Thailand Research Fund
6. President of the Polymer Society of Thailand (2007 - 2012)
